The 22nd March 1911.

From the 8th April next till further notice, Parts I, IV, V and VI of the *Gazette of India* and the Weather and Crop Report will be published at Simla. After the 1st April all notifications and other matter intended for publication in those Parts should be addressed to the Officiating Publisher at Simla.

Attention is invited to the following Circular Memorandum of the Government of India, Home Department, of August 1901 :—

"It has been brought to the notice of this Department that matter for the *Gazette of India* is sometimes sent to the Press late on Friday evenings for publication in the next day's *Gazette*, and that this involves considerable inconvenience to the Press and expense to Government. In the Circular Memorandum of this Department, No. 777—79, dated 9th February 1870, the Government of India directed that all notifications or other matter intended for insertion in the *Gazette of India* should be delivered at the Press not later than 2 P.M. on Friday, and that any papers sent thereafter must be certified to be extremely urgent in order to ensure their appearance in the next day's *Gazette*. The undersigned is directed to request that these orders may be more strictly observed in future, and that Departments will refrain from sending to the Press as extremely urgent any papers which can without harm or inconvenience be held over for the next *Gazette*."

J. P. HEWETT,

Secretary to the Government of India.

No. 1630-P.—The following draft of certain rules which it is proposed to make in exercise of the powers conferred by sections 57 and 77 (1) of the Indian Patents and Designs Act, 1911 (II of 1911), is published as required by section 77 (2) of the said Act for the information of all persons likely to be affected thereby, and notice is hereby given that the said draft will be taken into consideration on or after the 1st day of September 1911.

Any objection or suggestion which may be received from any person with respect to the draft before the date specified, will be considered by the Governor General in Council.

DRAFT RULES.

CHAPTER I.

Preliminary.

1. These rules may be called the Indian Patents and Designs Rules, 1912. Short title and commencement

They shall come into force on the first day of January, 1912.

2. In the rules, unless there is anything repugnant in the subject or context—

- (a) The Act means the Indian Patents and Designs Act, 1911.
- (b) Office means the Patent Office provided under section 55 of the Act.
- (c) Controller means the Controller of Patents and Designs appointed under section 56 of the Act, and includes any officer appointed to act for him.

3. Any application, notice, or other document, and any fee authorised or required to be left, made, given or paid at the Office, or to the Controller, may be sent by hand or through the post addressed to the Controller of Patents and Designs, Council House Street, Calcutta, and, if so sent, shall be deemed to have been left, made, given or paid on the day of receipt.

4. (1) The fees to be paid under the Act shall be those specified in the first Schedule to these rules, hereinafter described as the prescribed fees.

(2) Fees may be paid in cash at the Office, or may be sent by money order or postal order payable to the Controller at Calcutta. Cheques not made payable at Calcutta to the Controller, and other cheques on which the full value cannot be collected in cash within the time allowed for payment of the fee, will not be accepted. Stamps will not be received in payment of fees.

5. All applications, notices, requests, appeals or documents on which a fee is leviable under these rules shall be accompanied by the prescribed fee. Application, etc., to be accompanied by the prescribed fee.

6. The forms set forth in the second Schedule to these rules, with such variations as the circumstances of each case require, shall be used for the respective purposes therein mentioned, and if used shall be sufficient. Forms.

DOCUMENTS.

7. (1) All documents and copies of documents, except drawings, sent to or left at the Office or otherwise furnished to the Controller shall be written, typewritten, lithographed, or printed Size, etc., of documents.

in the English language (unless otherwise directed) in large and legible characters with deep permanent ink upon strong white paper, and on one side only, of a size of 13 inches by 8 inches, leaving a margin of at least one inch and a half on the left hand part thereof. Signatures thereto must be written in a large and legible hand, and a vernacular signature must be accompanied by a transliteration in English.

(2) Duplicate documents shall be filed at the Office, if at any time required by the Controller.

(3) Names and addresses of applicants and other persons shall be given in full, together with such other particulars of nationality, caste or calling as are necessary for identification.

Verification of documents specified in section 75 of the Act. 8. (1) The documents specified in section 75 of the Act shall be verified at the foot.

(2) The person verifying any such document shall specify by reference to the document verified what he verifies of his own knowledge and what he verifies upon information received and believed to be true.

(3) The verification shall be signed by the person making it and shall state the date on which and the place at which it was signed.

Agency. 9. For all matters falling under the provisions of section 76 of the Act, any person may, unless otherwise directed by the Controller, authorise, under his personal signature, any other person to act as his Agent and to receive all notices, requisitions and communications.

CHAPTER II.—PATENTS.

APPLICATIONS FOR GRANT OF PATENT.

Application. 10. (1) An application, under section 3 of the Act, for a patent shall be made on Form 1 or Form 2, and shall be accompanied by a specification on Form 3 in duplicate.

(2) Applications shall, as far as may be practicable, be numbered and dated in the order of their receipt.

(3) If the true and first inventor does not wish to be a party to the application, the applicant shall produce the original deed of assignment or other document under which he is enabled to apply for a patent, unless the application itself is endorsed by the true and first inventor in the presence of two witnesses with a statement that the said inventor agrees that the application shall be made without his name as an applicant for a patent.

(4) If the application is made by the legal representative of a deceased inventor, the legal representative shall produce for inspection the probate of the will or the letters of administration of the estate of the inventor, or a certified copy of such probate or letters, or such other evidence of his title as the Controller may require.

SPECIFICATIONS.

Specification. 11. (1) The specification shall show the title of the invention and the name of the applicant as in the application. It shall terminate with a succinct statement of claim of the invention for which protection is desired, distinct from the body of the specification, and shall be signed by the applicant.

(2) Where the invention is capable of representation by drawings, such drawings shall be prepared in accordance with rule 13 and shall be attached and referred to in detail in the specification.

(3) Irrelevant or other matter, not necessary, in the opinion of the Controller, for elucidation of the invention, shall be excluded from the title, description, claims and drawings.

Amendments how to be made. 12. (1) When the specification, or any drawing accompanying it, is defective and requires amendment, one copy shall be returned to the applicant or his agent and all alterations shall be made thereon as far as possible. Additional matter may be interpolated if necessary by re-writing such pages as are required to form a continuous

document. Amendments shall not be made by slips pasted on, or as footnotes, or by writing in the margin. The amended documents shall be returned to the Controller together with the cancelled pages or drawings, if any, and with a duplicate of any pages or drawings that have been amended or added.

(2) Amendments, alterations or additions shall be initialled by the applicant or his agent.

(3) No amendments, alterations or additions shall be made in a document returned for amendment beyond those necessary to comply with the requirements of the Controller.

DRAWINGS WITH APPLICATIONS FOR PATENTS.

13. (1) Drawings shall be supplied in duplicate on sheets 13 inches in height and either 8 or 16 inches in width. A clear margin of half an inch shall be left round each sheet. The figures of the drawing shall be numbered consecutively Fig. 1, Fig. 2, etc., and shall be placed upright on the sheets. Reference figures and letters shall be clear and bold, not less than $\frac{1}{16}$ th of an inch in height, and the same letters shall be used for the same parts in different views or drawings. The sheets of drawings, when more than one, shall be numbered consecutively, the number of each sheet being shown in the righthand top corner. Each sheet shall be signed by the applicant or his agent in the bottom righthand corner.

Size of drawings, etc.

(2) No written description of the invention shall appear on the sheets of drawings.

(3) At least one copy of the drawings shall be suitable for reproduction and, for that purpose, shall be prepared on smooth white paper or tracing cloth. All lines and lettering shall be executed with Indian ink of good quality. Coloured lines and washes shall not be used. The lines and lettering shall be firm and even, and section lines shall not be closely drawn. The scale adopted shall be large enough to show the invention clearly.

(4) Drawings shall be delivered flat or rolled so as to be free from creases.

OPPOSITION TO GRANT OR AMENDMENT, ETC.

14. (1) Notice of opposition to the grant of a patent shall be given in duplicate on Form 5. The duplicate notice shall be sent by the Controller to the applicant.

Notice of opposition.

15. (1) Within 14 days of giving notice of opposition the opponent may, and shall, if so required by the Controller, leave at the Office a full written statement in duplicate of the reasons for, and extent of, his opposition, and of the grounds upon which he relies in support of his opposition.

Filing of statements.

(2) If the written statement referred to in clause (1) is supplied, the Controller shall furnish the applicant with the duplicate copy thereof, and the applicant may leave at the Office a reply in writing within a time to be specified by the Controller. Such reply shall deal in full with the statement of the opponent and shall be in duplicate.

(3) If the further written statement referred to in clause (2) is supplied by the applicant, the Controller shall furnish the opponent with the duplicate copy thereof, and the opponent may again leave at the Office a statement in writing in reply within a time to be specified by the Controller. Such last-mentioned statement shall be confined strictly to matters in reply, and shall be in duplicate. The duplicate copy shall be sent by the Controller to the applicant.

(4) The Controller may require at any time that any written statement shall be in the form of an affidavit.

(5) The time ordinarily allowed for filing a reply or counter-reply shall be one month.

16. (1) On completion of these proceedings, if any, or at such other time as he may see fit, the Controller shall appoint a time for the hearing of the case, and shall give the parties not less than ten days' notice of such appointment. If either party does not desire to

Hearing.

be heard, he shall as soon as possible notify the Controller to that effect. If either party desires to be heard, he must leave a statement on Form 6, together with a fee of R10 at the Office. The Controller may refuse to hear either party who has not left such statement and fee two days prior to the date of hearing.

(2) After hearing the party or parties desirous of being heard or if neither party desires to be heard, then without a hearing, the Controller shall decide the case and notify his decision to the parties.

SEALING OF PATENTS.

Sealing. 17. (1) If an applicant desires to have a patent sealed on his application, he shall within the period allowed by section 10, subsection 2, of the Act leave at the Office an application on Form 7.

(2) Where the applicant neglects or fails to pay the fee prescribed within the time allowed, the time may be extended for a period not exceeding three months. An application for such extension of time shall be made on Form 4, and shall be accompanied by a fee of R10, R20, or R30 for an extension of one, two, or three months respectively.

Form of patent. 18. The patent shall be in the form given in the third Schedule to these rules, with such modifications as the circumstances of each case require.

RESTORATION OF A LAPSED PATENT.

Restoration of lapsed patent. 19. (1) Application under section 16 of the Act for the restoration of a lapsed patent shall be made on Form 9.

(2) If the Controller entertains the application, he shall advertise it in the *Gazette of India*.

Opposition. 20. Notice of opposition to the restoration may be given on Form 5 within six weeks of the advertisement and the procedure for the disposal of such opposition shall be regulated by the provisions of Rules 14, 15 and 16.

AMENDMENT.

Amendment. 21. A request under section 17 of the Act for the amendment of an application, specification or drawings (not being a request under section 62 of the Act for correction of a clerical error) shall be made on Form 10, and shall be accompanied by a copy of the application, specification, or drawings showing in red ink the proposed amendment in such a manner as to indicate clearly the alteration desired.

Procedure when patent has been accepted. 22. If the request relates to an application for a patent which has been accepted, the request and the nature of the proposed amendment shall be advertised by notification in the *Gazette of India* and in such other manner, if any, as the Controller may in each case direct under Rule 45. The Controller shall also notify all persons whose names are entered at the time of the request on the Register as claiming an interest in the Patent.

Opposition. 23. Notice of opposition to the amendment may be given on Form 5 within three months of the date of the notification, and the procedure for the disposal of such opposition shall be regulated by the provisions of Rules 14, 15 and 16.

SURRENDER OF PATENTS.

24. Notice of an offer under section 24 of the Act to surrender a patent shall be made on Form 11. The Controller shall advertise the offer in the *Gazette of India*, and shall notify all persons whose names are entered at the time of the offer on the Register as claiming an interest in the Patent.

Opposition. 25. Within six weeks of the advertisement any person may give notice of opposition to such surrender. After the expiration of such six weeks the Controller may, if a notice of opposition has been given, appoint a hearing if he sees fit, and shall decide whether the patent shall be revoked.

CHAPTER III.—DESIGNS.

Classification of goods. 26. (1) For the purposes of the registration of designs and of these Rules, goods shall be classified in the manner specified in the fourth Schedule hereto.

(2) If any doubt arises as to the class to which any particular description of goods belongs, it shall be determined by the Controller.

27. An address for service in British India shall be given in all applications and other communications to the Controller in connection with designs. Unless such an address is given the Controller need not proceed with the examination of an application, nor send any notice that may be required by the Act or these rules.

Address for service.

APPLICATION TO REGISTER A DESIGN.

28. (1) An application under section 43 of the Act for the registration of a design shall be made on Form 14 and shall be accompanied by four copies of the design and shall be dated and signed by the applicant.

(2) The application shall state the class in which the design is to be registered, and the article or articles to which the design is to be applied. Where it is desired to register the same design in more than one class, a separate application shall be made in each class.

(3) If so required by the Controller, the applicant shall state the purpose for which the article is used and the material or predominating material of which the article is made, and shall give a brief statement of the novelty claimed for the design.

29. (1) The four copies of the design which in accordance with rule 28 must accompany the application shall be exactly similar drawings, photographs, tracings, or other representations of the design, or shall be specimens of the design.

Copies and specimens of designs.

(2) Each representation shall show the complete design and shall be on paper, or mounted on paper, of a size of 13 by 8 inches, and on one side only. Drawings or tracings shall be made in black ink.

(3) When the specimens are not, in the opinion of the Controller, suitable for record in the Office, they shall be replaced by representations.

(4) If the Controller in any case so requires, he shall be supplied with one or more representations or specimens of the design in addition to those supplied with the application.

(5) Where words, letters, or numerals are not of the essence of the design, they shall be removed from the representations or specimens.

PROCEDURE ON RECEIPT OF APPLICATION.

30. (1) Upon receipt of an application for registration, the Controller shall consider it, and if he thinks there is no objection to the design being registered, he may accept it.

Acceptance.

31. If after consideration of the application any objections appear to the Controller, a statement of these objections shall be sent to the applicant in writing, and unless within one month the applicant applies for a hearing, he shall be deemed to have withdrawn his application.

Objections.

32. The decision of the Controller at such hearing as aforesaid shall be communicated to the applicant in writing, and if he objects to such decision, he may within one month, should he consider it necessary for the purpose of appeal, apply upon Form 15, requiring the Controller to state in writing the grounds of his decision and the materials used by him in arriving at the same.

Decision of Controller.

33. Upon receipt of such form, the Controller shall send to the applicant such statement as aforesaid in writing, and the date when such statement is sent shall be deemed to be the date of the Controller's decision for the purpose of appeal.

Date for appeal.

34. An application which, owing to any neglect or default of an applicant, has not been completed so as to enable registration to be effected within six months of the date of application, shall be deemed to be abandoned.

Non-completion within six months.

35. Applications under section 47, sub-sections (2) and (3), of the Act for the extension of the period of copyright in registered designs may be made at any time not more than six months and not less than one month before the time of the expiry of the copyright. The application shall be made on Form 16.

Extension of period of copyright in registered design.

Marking of articles before delivery on sale.

36. Before delivery on sale of any articles to which a registered design has been applied the proprietor of such design shall cause each such article to be marked with the word REGISTERED or with the abbreviation REGD. or with the abbreviation RD. as he may choose, and also (except in the case of articles to which have been applied designs registered in classes 9, 13, 14 and 15) with the number appearing on the certificate of registration.

Inspection of designs.

37. Registered designs shall not, except as provided in section 50 of the Act, be open to inspection until five years after the date of application for registration.

Request for information

38. A request for information under section 51 of the Act may be made on Form 18. If the number of the registered design is not known, two copies of the design, in respect of which inquiry is made, shall accompany the application.

CHAPTER IV.—GENERAL.

REGISTERS OF PATENTS AND DESIGNS.

Requests under section 63 of the Act.

39. Requests under section 63 of the Act to enter a claim to any interest in a patent or registered design shall be made on Form 21, accompanied by the document under which the claim is made, and an attested copy thereof. If, however, the document is a matter of record, an official or certified copy thereof may be produced unless the Controller otherwise directs.

Rectification of the Register.

40. Ten clear days' notice of every application to the Court under section 64 of the Act for rectification of the register shall be given to the Controller.

APPEALS.

Appeals.

41. (1) An appeal to the Governor General in Council from the decision of the Controller shall be made on Form 24 and shall be left at the Office in duplicate and shall show fully the reasons for appealing and the grounds on which objection is taken to the decision.

(2) The Controller shall forward one copy to the Governor General in Council through the Secretary in the Department of Commerce and Industry, who shall notify the appellant of its receipt.

CONVERSION OF EXCLUSIVE PRIVILEGE INTO A PATENT.

Conversion of exclusive privilege into a patent.

42. (1) A request under section 81 of the Act for the conversion of an exclusive privilege into a patent shall be made on Form 25, and shall be accompanied by the original order under which the exclusive privilege was acquired.

(2) The Controller shall advertise the request in the *Gazette of India*.

(3) Notice of opposition to the conversion may be given on Form 5 within three months of the date of the first advertisement, and the procedure for the disposal of such opposition shall be regulated by the provisions of Rules 14, 15 and 16.

MISCELLANEOUS POWERS OF THE CONTROLLER.

Exercise of discretionary power of Controller.

43. Before exercising any discretionary power given to the Controller by the Act or these rules adversely to the applicant for a patent, or for amendment of an application or specification, the Controller shall (under section 67) give notice to the applicant or agent, and shall, if so required within one month of the date of such notice, appoint a date for a hearing in the matter and shall give ten days' notice thereof.

Controller may require statement.

44. Whether an applicant or agent desires to be heard or not, the Controller may at any time require him to submit a statement in writing within a time to be notified by the Controller, or to attend before him and make explanations with respect to such matters as the Controller may require.

45. Applications for extension of the term of a patent under section 15, or for amendment under section 17, shall, if so directed by the Controller, be advertised by the applicant in not less than two newspapers published in British India. Copies of the newspapers containing those advertisements shall be supplied to the Controller. Controller may direct advertisement in newspapers.

Advertisement of such applications shall be made by the Controller by Notification in the *Gazette of India*.

46. Any document for the amending of which no special provision is made by the Act may be amended, and any irregularity in procedure which, in the opinion of the Controller, may be obviated without detriment to the interests of any person, may be corrected, if the Controller think fit, and upon such terms as he may direct. General powers of amendment.

47. The time prescribed by these Rules for doing any act or taking any proceeding thereunder may be enlarged by the Controller, if he thinks fit, and upon such terms as he may direct. General power to enlarge time.
